

Savage Club of Ithaca

2019-20 Call for Proposals

The Savage Club of Ithaca is dedicated to the pursuit of happiness through music and the performing arts. The Club was formed in 1895 by members of the Cornell Mandolin, Banjo and Glee Club along with some Ithacans and took its name and charter from the Savage Club of London, a literary and cultural club.

We invite your proposals for small grants that will make possible special projects or needs that are not usually supported by your general funding sources. Priority will be given to projects that encourage individuals and group performances in the community (with a special emphasis on youth). Grants that fund operating budgets or endowments will receive low priority. Funds are to be expended within a year of the date of the award, without the expectation of further support. **A typical successful grant will be \$1,000 or less.** Projects must be based and take place within the greater Tompkins County area. We are particularly interested in projects that will provide a lasting impact in the community. **Proposals are limited to three pages or less.** Please submit one copy, using the organization's letterhead, if appropriate. Include in the application:

- 1. Name of the grant recipient, organization or group*
- 2. Name, address, and telephone number of the grant contact person*
- 3. Brief description of your organization's mission*
- 4. Dollar amount of your request*
- 5. One sentence description of the need/request and how the grant will address that need.*
- 6. Simple project budget*

Review of proposals will begin in November 2019 and continue throughout the year. A short final report (1 page or less) is required at the conclusion of the project. Please submit your application as soon as possible in one of the following manners .
